Seated

Inspired by the Mediterranean way of life and the pleasures of eating together, our seated menus celebrate the simplicity of traditional Greek flavours through abundant dishes designed to share. Expect vibrant mezze, slow-roasted lamb and Queensland's best seafood grilled simply over charcoal, and served as a family-style feast in the centre of the table. For standing celebrations, GRECA's hero pantry flavours will flow through the room in bite-size portions, with more substantial bowls as the event progresses. Of course, allergies are catered to without a fuss.
